

Partners

This year, the Utah Commission on Volunteers is continuing a successful partnership with the Utah State Office of Education, Lowell Bennion Community Service Center, and Utah Campus Compact.

We're excited to announce a new partnership with Utah's First Lady Mary Kaye Huntsman and her Power in You initiative. All of these partners share a common goal of promoting volunteerism and a culture of lifelong service in our youth.

We invite you to send a team of up to five youth and one adult from your organization to participate in this year's event, which is being held at the **University of Utah**. The Youth Summit is a fun-filled, three-day retreat designed to foster leadership skills, a desire to serve, and civic engagement in youth.

"I have been to a number of different leadership summits and this one is definitely by far the best. The atmosphere was inviting and the workshops were entertaining and fun. I would recommend this Summit to anyone!"
